What the tribunal ordered

0 decisions in this search (0 ended in a rent repayment order). In 0 the amount ordered has been checked; the figures below come from those, and n is the number of decisions behind each figure. Amounts are the total ordered in a decision, across all its applicants; "per applicant" divides by the number of applicants.

None of these decisions has an outcome we can read.

The tribunal can only make an order if it is sure, beyond reasonable doubt, that the landlord committed the offence. **Old rules**: offence before 1 May 2026, maximum 12 months' rent. **New rules**: offence on or after 1 May 2026, maximum 24 months' rent.

Past decisions are not a prediction. The tribunal decides each case on its facts, including the landlord's and tenant's conduct.

Decisions that ended in an order

Most recent first. Rent per calendar month, the maximum the tribunal could award (the rent for the period, less any benefits), the amount ordered and its share of that maximum, as the decision states them. A blank maximum means the decision never states it as one figure, or it hasn't been checked.

None.

Past decisions are not a prediction. The tribunal decides each case on its facts, including the landlord's and tenant's conduct.
